FESTIVALBAR TRIBUTE SHOW

Un'Estate Italiana

8 ARTISTS · 100% LIVE
NO BACKING TRACKS, NO SEQUENCES

A PRODUCTION BY
FERRARI EVENTI

PACKED PIAZZAS. VOICES IN UNISON.

And a summer that never ends.

Festivalbar Tribute Show pays homage to the legendary Italian summer music festival that, for more than thirty years, filled town squares across Italy and launched the biggest Italian and international pop hits.

A show that celebrates the music, the lightness and the carefree spirit of an unforgettable era, bringing the authentic atmosphere of those nights back to the stage.

On stage, musicians and lead vocalists revisit the pop, dance and rock hits from the '80s to the early 2000s, rearranged into themed medleys that turn every concert into one big collective party.

Everything strictly live: no backing tracks, no pre-recorded sequences.
